Resys

Which
requirement?

Which
application?

Applications	Distribution with electronic power equipment	Motor load break		
				
Model	RESYS B420	RESYS M40	RESYS P40	

Characteristics

Type of ELR protection	type B	type A	type A	
Tripping threshold		30 mA ... 30 A	30 mA ... 30 A	
Time delay	0 ... 10 s	0 ... 10 s	0 ... 10 s	
Automatic reclosing function				
Pre-alarm function	•	•	•	
Output relay	2	2	2	
Case	modular	modular	flush-mounting	
Dimensions (mm)	36	44	48 x 48	

Accessories

Core balance transformers

Circular solid-core ΔIC		•	•	
Split-core ΔIP-R		•	•	
Solid-core rectangular WR		•	•	
Type B solid-core	•
